Product Specification Sheet

Targus CoolWave for Netbooks

Part #: AWE25US

Product Description:

The Targus CoolWave for Netbooks is a cooling stand designed to support up to 10.2" netbooks. The wave-like design allows air to flow freely to the netbook, keeping it cool during operation. The compact form factor fits perfectly in any home workspace and will hold the power cord in place. The non-skid pads grip the laptop and work surface for added stability.
